

ABOUT

Drive and problem solving are my main traits. I am always curious about learning new technologies and tools. Right now, my main interest is in producing industry standard websites and apps.

RELEVANT COURSES

ZeroToMastery courses –

Extensive study of Web Development, Design & React.

ServiceNow Bootcamp –

Agile learning, System Admin and Application Design

University Internships –

Computer Security based, in which I learned about pen-testing and completed CTFs.

TECHNICAL SKILLS

INTERESTS

Puzzles – Love problem solving

Stories – Audio-visual, written

Sports – Basketball for 17 years

Languages – I am one of the best online Romanian tutors

STEFAN PAIU
